December 5, 2017

YMCA

1:30 p.m. – 2:30 p.m.

In Attendance: Chad Buggert, Anna Amundson and Sara Ferkul

On the Phone: Ray Jobe

Discussion about the youth survey – what we should ask, what we hope to find out and what age groups we should be surveying.

We had previously discussed sitting down with certain grades/classes and speak with the kids directly. But after further discussion we thought paper surveys for all grades and ages would be best or an email blast to the ages that utilize the email system(7-12th grades). It may be beneficial to have a sit down with the teachers and discuss what the program is. Maybe see if the teachers can offer some sort of incentive to the kids that complete the survey.

Asking age, grade and school name. List of activities, starting with the list that we had for the parent's survey. Anna also had a list of activities. She will be downsizing the list for the youth survey. We will have a space for youth to add in additional activities. After the kids choose the activities that they would like to take part in we will then ask them to circle their top 3 favorites.

We will also be asking the kids how they would be getting to the event. We wanted to see if there was a difference between how they thought they would be getting to the event and how the parents said they would be getting to the event.

The group will be meeting in the beginning of January to discuss questions that we can ask the City of Virginia - Parks and Rec board as well the Virginia Community Lakes Committee. The Virginia Community Lakes Committee usually meets on the 4th Tuesday of each month. We would speak with the city about use of the building for rain days.

Next Meeting:

January 9, 2017

1:30 p.m. – 2:30 p.m.
